Atlas MultiTrip™

The Atlas MultiTrip plan from Tokio Marine HCC- MIS Group, a member of Tokio Marine HCC, is with you almost anywhere you may travel internationally for vacation, business, visits with family, sports adventures or other pursuits. It covers multiple trips, up to 30 or 45 days in length for the 364-day certificate period.

Why Choose Atlas MultiTrip™?

Whether traveling for business or pleasure, international travel should be a fulfilling experience. However, complications such as natural disasters, illnesses, and injuries can arise. While we may do everything possible to guard against it, sometimes the unexpected still occurs. Fortunately, Tokio Marine HCC- MIS Group is here to help if it does.

Atlas MultiTrip offers coverage including inpatient and outpatient medical expenses, emergency medical evacuation, accidental death and dismemberment, and lost checked baggage for frequent international travelers.

I have medical insurance in my home country; do I need multi-trip medical insurance?

Many times the primary medical insurance in your home country will not cover you while traveling abroad and often will not provide essential services in the event of an illness or injury. Atlas MultiTrip provides important benefits such as translation assistance during treatment, doctor and hospital referrals, and assistance replacing lost prescriptions. Coverage applies to multiple trips up to 30 or 45 days in length (as elected) during the 364-day contract period.

Would you know what to do if you found yourself in a life-threatening situation far from home? Tokio Marine HCC – MIS Group is experienced in arranging Emergency Medical Evacuations. Atlas MultiTrip will cover eligible expenses necessary to transport you to the nearest medical facility qualified to treat your life-threatening condition. We also understand the importance of family support in these difficult situations. Atlas MultiTrip will also cover the transportation, lodging, and meal costs for a relative to join you after an emergency medical evacuation, up to the lifetime limit.

Repatriation of Remains

What would your family do if disaster strikes while you are away from home? The death of a loved one is never easy, no matter the circumstances. In the unfortunate event of your death while traveling abroad, Atlas MultiTrip will arrange for and cover eligible costs associated with the repatriation of your remains.

Political Evacuation

If, during the coverage period and after your arrival, the U.S. Department of State issues a level 3 or level 4 travel advisory for your destination country, Atlas MultiTrip will coordinate your alternate departure arrangements from that country

and cover eligible associated costs.

Trip Interruption

One of a traveler's biggest worries is the safety of his or her home while away. If you learn that a catastrophic event like a tornado, hurricane or flood has caused severe damage to your home while traveling abroad, Atlas MultiTrip will cover the cost of a one-way, economy class ticket to the airport nearest your home.

Natural Disaster- Replacement Accommodations

Natural disasters can happen anywhere and at any time. If a natural disaster occurs while on your trip, causing you to become displaced from your planned and paid accommodations, Atlas MultiTrip will provide relief of a maximum of \$250 a day for 5 days to help cover the costs of alternative accommodations.

Hospital Indemnity

If you are hospitalized, the world around you does not stop. What's more, in some places hospitals do not provide their patients basic necessities like meals, toothpaste or soap. If you are hospitalized as an inpatient for treatment of a covered illness or injury, Atlas MultiTrip will provide \$100 for each night you spend in the hospital.

Terrorism

In these turbulent times, the risk of a terrorist attack is a reality. If you are in the wrong place at the wrong time, and the country or region you're visiting is NOT under a level 3 or level 4 travel advisory, Atlas MultiTrip offers coverage for eligible medical expenses resulting from those acts. Coverage excludes countries or regions for which the U.S. Department of State has issued a level 3 ("reconsider travel") or level 4 ("do not travel") advisory in the 6 months prior to your arrival date.
