“Our group of six was left high and dry when a strike cancelled our flight to Europe just a few days before departure. Fortunately, my brother had previously suggested getting travel insurance through BHTP. BHTP covered the difference in ticket price, allowing us to re-book out tickets with another airline (at a much higher price, given the last-minute booking), covered our hotel expenses, train tickets, etc. All of this allowed us to continue the rest of our amazing family trip as planned.”

“We recently had a big trip to Europe booked that we had planned for almost one year in advance. Luckily, we purchased travel insurance from BHTP because just a week before our departure our airline went on strike! We had to re-book our flights and BHTP covered the difference in the expenses. It was a fairly smooth process to submit our claim, and I was impressed with BHTP and will definitely choose them for my next trip.”
