SECTION V

CLAIMS INFORMATION

How to Make a Claim

Before filing a claim, please review the policy detail and the Schedule to determine if the Loss meets the criteria for a covered claim. Please note not every Loss is covered, even if it is due to something sudden, unexpected, or out of the Insured's control. The Insured is encouraged to file a claim as each claim is reviewed individually on its own merit by a licensed claim adjuster. Contact the Travel Insurance Administrator or an agent of the Company to start the claims process. Please refer to the Schedule for the claims contact information for the policy.

Proof of Loss

As with any insurance, the Insured is responsible for proving the Loss. The Company requires the following:

- (a) Notify the Travel Insurance Administrator, or an agent of the Company, of the claim as soon as reasonably possible and no later than within one year of the date of Loss (except as otherwise allowed by law). If the claim is not filed within this time, the Company will not invalidate or reduce the claim unless the delay impairs the Company's rights;
- (b) The Insured must make all reasonable efforts to minimize the Loss including without limitation making reasonable efforts to start, catch up to, or continue the Trip; and promptly notifying the Travel Suppliers upon canceling or interrupting the Trip, including being advised to cancel or interrupt the Trip by a Physician;
- (c) Provide a signed, sworn proof of Loss upon request;
- (d) Provide all requested documentation (including without limitation proof of payment for claimed Losses, statements and records from treating Physicians, police reports, and information from Travel Suppliers);
- (e) Cooperate in the investigation of the claim; and
- (f) If requested, submit to examination under oath and/or provide a sworn affidavit.

When Paid

Claims will be paid within five business days provided the Company receives the complete proof of Loss and the Company is in agreement with the payable amount claimed by the Insured.

SECTION VI

GENERAL PROVISIONS

Entire Contract; Changes

This policy, Schedule, application and any attachments are the entire contract of insurance. In the absence of fraud, all statements made by the Insured will be considered representations and not warranties. No agent may change it in any way. Only an executive officer of the Company can approve a change. Any such change must be shown in this policy or its attachments.

Acts of Agents

No agent or any person or entity has authority to accept service of the required proof of Loss or demand arbitration on the Company's behalf nor to alter, modify, or waive any of the provisions of this policy.

Recovery

The Company has the right to recover any amount the Insured received from the Company that exceeds the total amount of the Loss, unless prohibited by law.

Physical Examination and Autopsy

The Company at its own expense has the right and opportunity to examine the person of any Insured whose Loss is the

basis of claim under this policy when and as often as it may reasonably require during the pendency of the claim and to perform an autopsy in case of death where it is not forbidden by law or the Insured's religious beliefs.

Benefits Payable

All benefits are payable to the first named Insured on the policy or a party the Insured designates in writing to the Company. Benefits are limited to the amount of the Loss and are subject to the applicable limit of liability and any deductible stated in the Schedule. If the Insured dies, benefits will be paid to the Insured's estate unless one or more beneficiaries has been designated. If more than one beneficiary is designated, benefits will be paid to each named beneficiary in equal shares (unless designated otherwise). Except as described here, there are no other beneficiaries of any of the benefits under this policy. All dollar amounts described in this policy are expressed in U.S. dollars. The Insured will not be reimbursed twice for the same expense. For example, the Insured cannot be reimbursed for the same expense under both Travel Delay and Trip Interruption coverages.

Sanctions

Any payments under this Policy will only be made in full compliance with all United States of America economic or trade sanction laws or regulations, including, but not limited to, sanctions, laws and regulations administered and enforced by the U.S. Treasury Department's Office of Foreign Assets Control ("OFAC"). Therefore, any expenses incurred or claims made involving travel that is in violation of such sanctions, laws and regulations will not be covered under this Policy. For more information, you may consult the OFAC internet website or the Travel Insurance Administrator representative.

Assignment

An Insured may not assign any of his or her rights, privileges or benefits under this policy.

Resolving Disputes

If the Insured disagrees with the decision about a claim, they can request to go to arbitration. If the Company agrees, the Insured can submit a dispute to desk arbitration at least 60 days from the date of that decision, but not more than six years after the date the claim was denied in whole or in part. Arbitration will take place in the county in which the Insured lives, unless both parties agree otherwise. No action may be brought against the Company unless the Insured has complied with all applicable provisions of this policy and such action is started within six years of the date the claim was denied in whole or in part.

Fraud and Misrepresentation

The Insured is responsible for all statements or other representations they make. Any materially misleading or inaccurate information in any statements or representations from the Insured, which were made with the intent to deceive, may result in the Company canceling the policy or reducing benefits, or the Company may use them to defend the decision about a claim. Fraud is illegal and may subject the Insured to criminal prosecution and civil penalties. The Company will deny the claim if the Insured or someone acting on their behalf:

- (a) Makes any false statements or statements that are deliberately misleading or deceptive;
- (b) Conceals or misrepresents any material fact; or
- (c) Otherwise attempts or commits fraud.

Duplicate Coverage

If the Insured is covered by another insurance policy that the Travel Insurance Administrator has issued with the same or similar coverage, the Company will pay no more than the highest amount of coverage payable under any one insurance policy. The Travel Insurance Administrator will also refund any premium paid for duplicate coverage.

Changes and Cancellation

The Insured may request changes to the policy by notifying the Travel Insurance Administrator. A request to change the return date may be made at any time prior to the Return Date. All other changes to the policy must be requested prior to the original Departure Date. If the change results in an increase in premium, the additional premium must be paid. Any decrease in premium, as a result of the change, will be refunded. Any change will be effective upon approval by the Travel Insurance Administrator and collection of any additional premium due. As noted above, the Travel Insurance Administrator will refund the premium if the policy is canceled within 15 days of the original purchase, the Trip has not started, and a claim has not been initiated. After this 15-day period, the premium is nonrefundable.

Subrogation

When someone is responsible for the Loss, the Company has the right to recover any payments made to the Insured or someone else in relation to the claim, as permitted by law. In such case, the Company may require any person receiving payment to assign their rights to recover such payment, including signing and providing any documents reasonably required allowing the Company to do so. Everyone eligible to receive payment for a claim submitted must cooperate with this process and must refrain from doing anything that would adversely affect the Company's rights to recover payment.

This provision does not apply to persons or organizations also insured under this policy or another policy issued by the Company with respect to the same loss.

Bankruptcy, Insolvency or Dissolution

The bankruptcy, insolvency, or dissolution of the Insured shall not relieve the Company of any of its obligations under this policy, and in case an execution against the Insured on a final judgment is returned unsatisfied, then such judgment creditor shall have a right of action on this policy against the Company to the same extent that the Insured would have, had the Insured paid the final judgment.

Travel Requirements

The Insured is responsible for meeting all requirements to travel, including obtaining required travel authorizations/documentation (for example, passports or visas), immunizations and medical supplies/equipment (including verifying that supplies/equipment meet the Travel Supplier's requirements), and anything else required for the Trip.

Waiver or Amendment

No one has the right to describe the policy any differently than is described here or to change or waive any of its provisions.

MINNESOTA GUARANTY NOTICE

NOTICE CONCERNING POLICYHOLDER RIGHTS IN AN INSOLVENCY UNDER THE MINNESOTA INSURANCE GUARANTY ASSOCIATION LAW

The financial strength of your insurer is one of the most important things for you to consider when determining from whom to purchase a property or liability insurance policy. It is your best assurance that you will receive the protection for which you purchased the policy. If your insurer becomes insolvent, you may have protection from the Minnesota Insurance Guaranty Association as described below but to the extent that your policy is not protected by the Minnesota Insurance Guaranty Association or if it exceeds the guaranty association's limits, you will only have the assets, if any, of the insolvent insurer to satisfy your claim.

Residents of Minnesota who purchase property and casualty or liability insurance from insurance companies licensed to do business in Minnesota are protected, SUBJECT TO LIMITS AND EXCLUSIONS, in the event the insurer becomes insolvent. This protection is provided by the Minnesota Insurance Guaranty Association.

Minnesota Insurance Guaranty Association
7600 Parklawn Ave. STE 329 Edina, MN 55435
Phone: 952-831-1908
Fax: 952-831-1973

The maximum amount that the Minnesota Insurance Guaranty Association will pay in regard to a claim under all policies issued by the same insurer is limited to \$ 300,000. This limit does not apply to workers' compensation insurance. Protection by the guaranty association is subject to other substantial limitations and exclusions. If your claim exceeds the guaranty association's limits, you may still recover a part or all of that amount from the proceeds from the liquidation of the insolvent insurer, if any exist. Funds to pay claims may not be immediately available. The guaranty association assesses insurers licensed to sell property and casualty or liability insurance in Minnesota after the insolvency occurs. Claims are paid from the assessment.

THE PROTECTION PROVIDED BY THE GUARANTY ASSOCIATION IS NOT A SUBSTITUTE FOR USING CARE IN SELECTING INSURANCE COMPANIES THAT ARE WELL MANAGED AND FINANCIALLY STABLE. IN SELECTING AN INSURANCE COMPANY OR POLICY, YOU SHOULD NOT RELY ON PROTECTION BY THE GUARANTY ASSOCIATION.

THIS NOTICE IS REQUIRED BY MINNESOTA STATE LAW TO ADVISE POLICYHOLDERS OF PROPERTY AND CASUALTY INSURANCE POLICIES OF THEIR RIGHTS IN THE EVENT THEIR INSURANCE CARRIER BECOMES INSOLVENT. THIS NOTICE IN NO WAY IMPLIES THAT THE COMPANY CURRENTLY HAS ANY TYPE OF FINANCIAL PROBLEMS. ALL PROPERTY AND CASUALTY INSURANCE POLICIES ARE REQUIRED TO PROVIDE THIS NOTICE.
